Update v1 5 5 13165-CODEX A: I found the solution One of the users helped me to solve this problem, with this command `sudo apt-get install curl` then the download was successful. Joint Replacement Technology

Joint Replacement Technology Joint Replacement Technology - A joint replacement is a surgery which creates a new healthy joint. As the name implies, the joint you are replacing is in another part of your body. Joints are not jointless. They are parts of your body which are at different levels of movement. Joints are designed to provide movement as your body wears and tears and damage to one area becomes more evident than another. Joints are composed of cartilage which does not easily heal.
