2.5D side scroller 2.5D shooting game featuring cute Marimo that fight against alien species! The final goal is for you to earn as high a score as possible by defeating all the enemies in as few moves as possible, so think of it as a musical game that you like! - Shoot multiple enemies at once with lock-on shots - Charge shots that can be shot at various angles to make up for your lack of accuracy - Defeat enemies that appear from behind the screen by shooting in front of them - Charge shots can destroy enemy bullets! - There are 4 difficulty levels to match your skill! * How to play When you open the game, you'll be greeted by an in-game introduction. Use the key config menu to change the operation type: move, charge shot, and lock-on shot. * Graphics quality Choose from "base" and "playable". You can customize the graphics quality with enough information on your PC. * Orchestra Sound There are 4 types of sound effects in 2.5D side scroller. You can choose one of the following: "base" "easy" "normal" "hard" "playable" * How to record those "playable" Use the operability menu to record your own orchestra sound. * Difficulty 4 difficulties for beginners and experts. * Pre-Download Some pre-downloaded data will be displayed when the game starts. * More importantly, if there is a warning in this game, it means that the save data is not recoverable. If you don't want to lose the lives you have accumulated, please make a backup of the save data. * The first time you start the game, the tutorial will be displayed in-game. You will first be shown the moves you are allowed to do. Click the "Next" button to continue. Then you will be taught about the game play, and the settings such as the operation type, difficulty and graphics quality. * Tutorial I think we will never see such cute marimo in the future. You can keep up with everything by clicking the "Next" button. You will learn different battles, and move on to different stages. * Optional There are two operation types and two key configs for the operability in the menu, so please check it out. * Replay mode and save data backup

An action shooter with a shooting game inside. If the Bosses are defeated in any order, the end result will change, and the score will be reset. ⬜World map: The current layout of the world map. The top bar shows the currently cleared area of the world map. You can obtain additional space by clearing the higher levels from the upper bar. When one area is cleared, only the enemies inside of the cleared area will be cleared. There is no effect on the enemies outside. There is a maximum of 3 bosses inside of an area. When the boss is defeated, only the enemies will disappear. If an area is cleared, the score will be reset. ⬜Secret area: A hidden area that can be accessed by achieving a specific amount of score in a specific mode. ⬜Area layout: The type of area you obtain. After you obtain an area, the inside will be cleared in order from top to bottom. If you clear a world map area, the boss level and score will be reset. ⬜Clear color: Red - The cleared area has been erased. Yellow - The boss in the cleared area has been defeated. ⬜Boss amount: 1 boss = 2 levels. There is a maximum of 3 bosses inside of an area. When the boss is defeated, only the enemies will disappear. You can obtain the boss level by clearing a boss area in a world map. ⬜Each area has 3 stages (the boss in the first area will be stronger than that in the last area). The game will reset after the 3rd boss. You can change the order in which the stages appear. If you clear a world map area, the boss level and score will be reset. ⬜World map: The currently cleared area of the world map. Main menu About Us Welcome to Musique Angelique Pty Ltd (BAVING or Marimo Boutique). Our passion is music and a wider appreciation for music. We have been operating in Kannapolis, North Carolina for more than 20 years, and have a huge passion for our Kannapolis music scene. Musique Angelique, or as we are known by our friends in Kannapolis, Marimo- Kannapolis was founded in 1996 by Joseph Ruggs. If you want to hear great music on a Monday night, Thursday night or just about any night take the 1-58 or take a drive down Old Rockville Road. You can find us in a small courtyard between Bob & Russ Stewart's Gallery and the Golden Nugget Art Galleries, across from the Gottlieb's Farm Museum. It's like Main Street but with amazing music in a unique atmosphere. Our goal is to provide our friends with a musical experience by recommending new and perhaps obscure musical artists and venues. Musique is trying to bring the great music of our hometown and many other towns to the attention of the people of Middle Tennessee. Our Concerts in the Courtyard are on: Wednesdays: Wednesdays from 6:00-9:00 pm Thursday: Thursdays from 6:00 to 9:00 pm Saturday: Saturdays from 11:00-1:00 pm & 4:00-7:00 pm Sunday :Sundays:from 4:00-7:00 pm Most Recent Song Marimo - My Favorite Place - American Beauty - The Marimo MARIMO-I. A. S is a new band that I discovered the other night because they have posted their first YouTube video. I very rarely buy the CD and this is the first CD I have heard from them. I was so impressed, that I felt compelled to read some blog, and finally made the plunge and downloaded their CD. I have all their music and enjoy most of it. The new CD is equally good if not better. It also covers much ground other than their current location in Central Australia (see "My Favorite Place", "Sorcerer" and "Africa") and "Great Goldfield" is the best rendition of Tim Walker's "Wonderful Wealth". The singing is very good, the violin and resonator guitar in "Great Goldfield" wonderful.There are
