▼ Game System Features

World Map In the world map, you can move your character freely. The map is divided into four environments: various surfaces for the player to explore, and a variety of dungeons that provide a sense of scale and heighten the tension. The unique and rich content will let your journey through the world of the game emerge.

Travel Map In the travel map, you can move your character along the predetermined map to the destination. If you can see a direction to go, you can use a travel guide. The travel guide can be used to find all sorts of dangers and secrets while on the journey.

Inventory In the inventory, you can equip items with a variety of functions. You can store different combinations of weapons, armor, and magic to finely tailor the properties of your character to your own play style.

Boss War Assume your role as a leader to strengthen your army and complete the battle with enemies. As the leader, you can also enhance the leadership skills of your subordinate commanders, such as the Warrior Skills and Mage Skills.

Unlock More to Hack an Existing Character If you learn to unlock various skills for your character, you can unlock a maximum of four skill slots for each at the same time. This lets you customize your character to the maximum.

Equipment Effect Equip equipment and you can assign a variety of effects, such as boost in strength, increase in mana, increase in defense, and the like.

Skill Effect Equip a skill and it can be assigned up to four effects, such as raise in strength, increase in mana, and the like.

Customize Character Equipment Equip one or more equipment, and you can change the characteristics of your equipment. You can change the number of points assigned to the slots, as well as the assigned qualities such as strength, magic, agility, and the like.

Monsterpedia The Monsterspedia provides the characteristics of monsters, such as their names, titles, and skills, and information about their appearances. It also includes details on their armors and weapons to make it easier for you to acquire them when encountering them during your journey.

Fantasy Combat System In the fantasy combat system, you have the ability to move freely and attack simultaneously with the four types of weapons available: hand-and-a-half-sword, spear, long sword, and shield. Likewise, you can make magical attacks by
