Name	Ultimate Fishing Simulator VR - Sakura® Lures DLC
Publisher	Administrator
Format	File
Rating	4.20 / 5 ( 2829 votes )
Update	(7 days ago)

[Download Setup + Crack](#)

A single fishing contest between two anglers is a very simple concept, one of the players with the hook catches the most fish with a rod. Now imagine you're fishing a million times in the same place, all at the same time, while sometimes the fish is hard to catch, and sometimes the fish is too easy, and sometimes the very same fish is happening again and again and again. A single fishing contest between two anglers is a very simple concept, one of the players with the hook catches the most fish with a rod. control of the gaff and the remote control catching of the reel, as well as the ability to catch fish – a whole new level of fishing that allows you to catch fish with a simple, intuitive and engaging experience. Download the Sakura® Lures Fishing Rod DLC for more fishing, brand-new fishing rods and even bigger fish. Watch the Trailer \*\*Pricing and contents of this DLC may differ based on territories. ----- - Telltale Games, Inc. is pleased to announce Ultimate Fishing Simulator® VR, a fishing simulation game that immerses you in its own universe and offers an unforgettable fishing experience: you become the driver, you guide your boat, you control the speed and the direction of your fish hunting. - The game puts you in the captain's chair and allows you to actively participate in the fishing process: you select the equipment to be used, you adjust the speed to suit your preferences, you stop in an optimal place and you wait for the fish to bite. You will control the speed of the boat thanks to the rod "gaff", the rod that helps you "gaff" the fish. When you hook a fish, your game becomes a masterpiece. Don't miss the story-driven story mode of the game featuring beautiful and original graphics, and watch out for the deep and realistic game play. Features: - Simulated fishing on the high seas - Play out fishing quests in real-time - Guide the boat by steering the reel - Interact directly with the fish - Switch between rod and reel with a "gaff" - Concentrate to catch a bigger fish with increased catch rate - Experience of an unforgettable fishing experience - Brand-new fishing equipment: the new "gaff" and reel - FISHING WORLD - Welcome to the world of Ultimate Fishing Simulator VR. Your game is set in the Pacific Ocean, somewhere in the vicinity of Japan. Your mission is to fish on the biggest waters in the world: the Pacific Ocean. There are stunning fish and captivating locations waiting for you. No mere fisherman, you are an experienced and talented captain of a fishing boat. -CATCH FISHING HOOKS - As captain, you have the chance to control your own boat equipped with high-quality equipment to catch fish. Each of the rod and reel models boasts d41b202975
