Importing a book on a Kindle Touch into Calibre  
Enter Kindle Name - Kindle Touch (if you have a Kindle Touch 7.0), Kindle Fire (if you have Kindle Fire 7.0). Check-in book. Enter book name - Enter book name. Make sure it's checked-in and you're ready to import. You don't even need to do anything else than just browse, import and check-in. It will automatically retrieve the book information, that might change based on the format you selected. BTW: If you import your books into Calibre the way you import them to Kindle App, the book will not be part of your library. It only adds them to your Kindle via Calibre. As for formatting: Instead of just telling you what you need to do, I'd recommend to just try to sync a book from Kindle to Calibre. The file format is just fine. The only thing I still am struggling with is to add text and pictures to a Calibre book. As there doesn't seem to be any option for adding text and pictures - but there are a bunch of other stuff you can do (and even read the tutorial in the Calibre guide - if you want to try
