
KJK 001 Ameri Ichinose Glory Body !EXCLUSIVE!

the video runs for around 8 mins, but time seems to have slipped. the action is fabulous, with the obligatory sex, some cuckold action, oral and anal sex and more. ameri looks really good, with her dark eyes and long black hair, she is gorgeous and we wonder why her husband has let her go so long. the second scene starts out very strange. erika and her lover are in the midst of sex with another woman standing beside them. they are showing their tits, and when they move, he looks over and she looks over, but not one of them actually takes their eyes off the woman getting fucked. if you haven't guessed yet, we are getting the odd sensation of erika having sex with two girls at the same time. which adds to the excitement of the scene. after all, no one would have a problem with it. then they go down with the other woman, who isn't that interested in the other two. the scene's a bit more of an anticlimax, but this is a real kinky video, so what do you expect? she is followed by the owner of the apartment house in which she lives, but again, time seems to have gone by, and nothing quite makes sense. look, even when it is boring, you will enjoy, and that is something, the quality of the video is okay, nothing spectacular, but it is the star ameri who steals the show. the girl has the model look, but her kissing is superb. but the sex scenes are what you came for, and that is what you will see. erika is dressed in some wonderful red lingerie, and she makes a fine sight as she bounces up and down on that fat cock. she is talented at oral sex, her lips seal together and her head goes down on that thick rod. ameri looks terrific in her barely-there lingerie, but more important, she looks sensational in those deep kissing scenes. erika and her lover look pretty hot too, and the other couple are just gorgeous.
