**What's New In?**

# Hittite Cuneiform - Hethitische

Keilschrift is a handy educational software. You will learn about Hittite cuneiform, learn how to read and write the symbols on your own. You will also be able to print the characters, so you can practise using the Hittite alphabet at home.

Contents: Learning how to read and write Hittite cuneiform symbols is a fun and educational way to improve your language skills. Hittite cuneiform is an ancient form of writing used for documents, inscriptions, books, and sculptures and was used by people in Anatolia

from the first half of the third millennium B.C.E. This program can help you learn to read and write the symbols from the Hittite cuneiform alphabet. As you learn to read and write, you will also learn about the culture and history of the Hittites. In addition to your usual training courses, you will have a chance to improve your language skills and discover new concepts in cuneiform, ancient history, and ancient Anatolian culture. So, whether you are a student, a teacher, or a private student, Hittite Cuneiform -

Hethitische Keilschrift will help you improve your language skills and knowledge. Features: 1. Create your own characters: You can write the characters you are learning by yourself. You can use the "Create New character" function to create a new character. You can also import Unicode fonts, and use them to create new characters. You can export your characters as \*.dot, and \*.jpg. You can also print your characters. 2. Learning the Hittite language: You can practice your language skills by reading and

writing the Hittite cuneiform characters. 3. Learning the history: You can learn about the history of the Hittite people. You can learn about the Hittites, the ways they built their cities, their art and architecture, and their world. 4. Discover the cuneiform characters: You will learn how to write and read all the characters in Hittite cuneiform. You will discover some of the strange symbols in the cuneiform characters. You will be surprised by the strength of the pictures in the Hittite cuneiform. 5. Practice your

handwriting: You will be able to practise writing the cuneiform characters on your own. 6. Using the keyboard: You will be able to practice your writing by using the keyboard. This will help you practise writing your own characters. Screenshots:
