Game Tracker Game tracker for video games and their developer's most recent news & updates. Welcome to the official E3 2016 location guide. Enjoy these tips on what to expect and how to make the most of your time at E3. 1. Prepare to spend a lot of money for the right spot You're going to be walking around a ton, so try to spend your money wisely. There's always a ton of stuff at E3, so don't spend too much on an area unless you really enjoy said area. Also, try to bring cash with you instead of relying on credit cards. That way if you get hungry or cold, you'll be able to still get your drink. 2. Take advantage of the free food So, what's one of the best parts of the convention? The free food. Now, don't get all excited and plan on eating a lot. Most of the stuff you'll get is the same foods you see at all of the conventions. You'll get a ton of stuff. Pasta salads, chicken salads, sausage, and broccoli. There are always different sides, but the basics will be the same. 3. Try to find someone to play with you The people that are really fun to hang out with are the ones that aren't staring at their phones. E3 is pretty busy, and most of the time you'll be sitting around by yourself. So, if you can find a friend or make a friend, you'll have a much better time. 4. Make sure to plan your time wisely E3 is usually pretty late into the night and early in the morning. So, figure out where you'll be spending your time. Make
